MEGA MITTS!

Arm wrestling champ has massive wanking spanners

Jeff even intimidates beer cans

CHAMPION arm wrestler Jeff "Popeye" Dabe isn't a violent man, but if he did give you a knuckle-sandwich you wouldn't be hungry again for a week.

Jeff can hold a basketball in each of his baseball mitt-size hands, which dangle off the end of his 49cm circumference forearms.

"People freak out when they see my hands in real life," reckons the 52-year-old Seppo

He used to arm wrestle competitvely back in the 1980s, giving it up when he fucked up his right arm in 1986.

But a visit to his home town of Stracy, Minnesota, by the state champ fired him up again, and now he's gone pro and takes on all comers with his leftie.

Jeff hands and forearms have been huge since he was a rugrat, and medical tests show no signs of gigantism or elephantiasis.

"The size of my hands did shock people at first but I had the strength to back it up," he says.

"Thanks to the World Arm Wrestling League I am now competing with people from all over America."

They fucken hate shaking hands with him afterwards, but.

ELLS' ELLS'

Danni Wells takes being blonde very seriously

EVEN if you're a keen student of outstanding international TOTTY you still may not have heard of Danni Wells. She's YOOOJ in the UK, but the Poms have mostly kept her to themselves up until now, the bastards.

But all that changes here.

The stunner from Coventry is ready to rock PICTURE readers with her somewhat CONTROVERSIAL views why being BLONDE is BETTER.

"I think guys know we'll be a better laugh," she reckons.

MORE OF DANNI, OH BOY!

"BLONDES ARE MORE OPEN TO GIRL-ON-GIRL ACTION"

"We're always the ones dancing away and drinking too much.

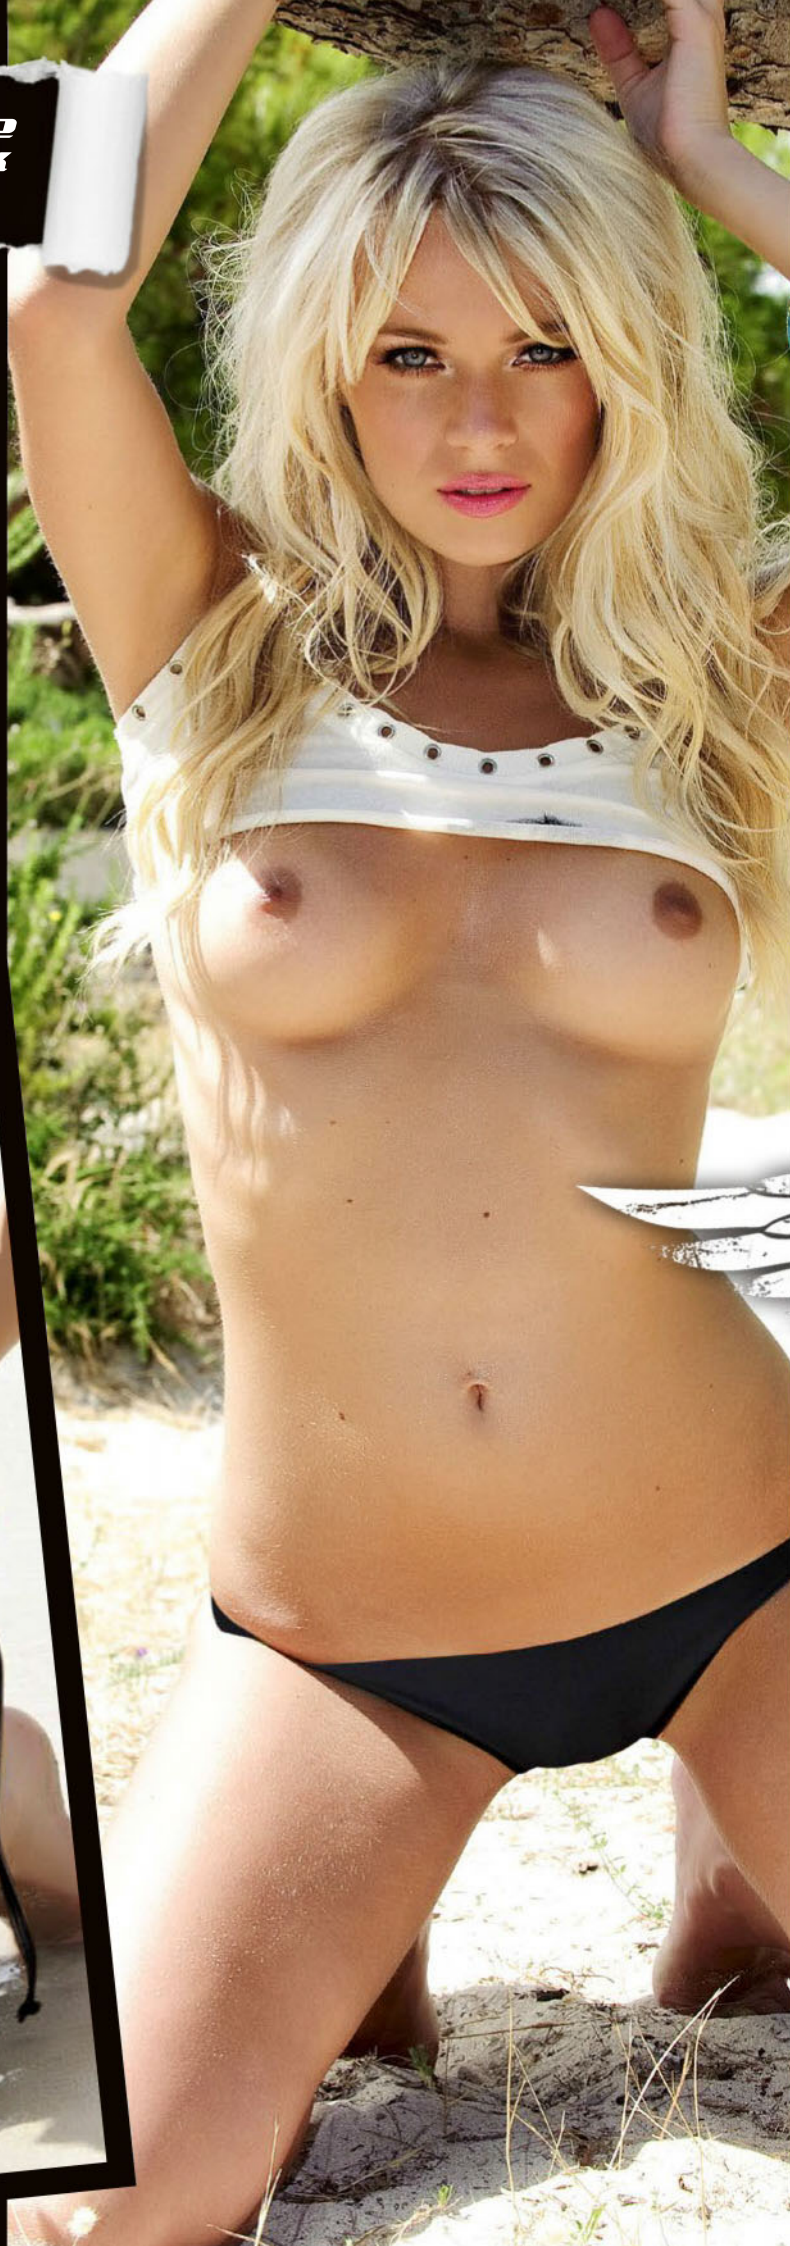
"I'm always staying out all night, and the girls that are still up with me come daylight are always blondes.

"And when I swap sex stories with other girls it's always the blondes that have been the rudest. Blondes are more open to girl-on-girl action. It's because of our WILDNESS."

All this CRAZY shit was still way off in the future when she was a little snot-nosed munchkin growing up in her dad's PUB with a Shetland pony, a potbellied pig and a GOAT as pets.

And even when she started to BLOSSOM, she was planning on a career as a beautician until someone convinced that going tits 'n'

New Tits On the block



smoo out in mags was a better way to earn a crust.

Now she fully embraces her BLONDE SPUNKITUDE, especially when she's on tour with similar hornbag model types.

"My girlfriends and I live by the 'what goes on tour, stays on tour' motto, but I will say that things get pretty messy," she says when asked for all the GORY DETAILS.

"Lots of booze, lots of laughs, lots of fellas and lots of nakedness. I don't know what it is about being away, but I do seem to get nude far more freely when I'm abroad!"

Following that logic, she should be stark fucken naked by the time she gets off the plane if she ever comes to Oz.

Come to think of it, maybe we ought to send her a plane ticket, meet her at the airport and watch the riot start... ■ Picture

LONDON!

It's thirsty work queueing to get into to one of those swank nightclubs in London's West End, and this chick is quite obviously overheated and dehydrated, poor thing.

LOS ANGELES!

Everyone's favourite porn nerd April O'Neil is a huge *Dr Who* fan, and starred in the XXX parody of it called *Dr Whore*. Apart from that, she has very nice tits.

TIJUANA!

Upset by the violent drug wars tearing her country apart, Lupe tried to bring peace by getting naked and asking everyone to a picnic. She even made sandwiches.

Met Art, Snapper, Splash

HOLLYWOOD!

Party pals Phoebe Price and Frenchy Morgan didn't have any cash to tip their limo driver, so Frenchy hoicked out a tit for him instead. Account settled!

TENNESSEE!

When Sandra was a kid, she used to go skinny dipping down at the ol' swimmin' hole. Now she's all growed up, but she still does it like she did back in the day.

GRANADA!

Izabel was sunbaking when she discovered she'd laid her towel down on an ants nest and the little buggers had crawled in her cossie, so she had to tear it off.

News Flash

Believe it or not, this shit actually happened

BUMMING A TUNE

A CHINESE champion who rocked up to hospital in Guangzhou, southern China, with a 25cm microphone up his arse reckoned it was the result of a fight in a karaoke bar. Doctors operated for two hours to remove it through his gut, 'cos they couldn't get it out the way it went in. According to local media outlet People's Daily Online, the man, Mr Cai, claimed that after getting into a fight at the bar, some men held him down and inserted the mic where the sun don't shine. We reckon it was because he buggered up the lyrics to *Khe Sanh*.

#248 WE DREW A COCK ON IT

WHO ATE ALL THE SURFERS?

THERE'S been heaps of shark attacks off the beaches of northern NSW recently, and big fellas like this caught a few weeks ago by a pro fisherman in the ocean about 25km off Tweed Heads may have something to do with it. Although the four-metre plus noah, identified as a Tiger shark by its teeth, may have been doing it's own bit to alleviate the problem – just before the fisho, a bloke by the name of Matthew, hauled it on board he reckons he saw it eat a 1.7 metre hammerhead WHOLE. Meanwhile, all the surf schools and shops around Byron Bay, Ballina and Lennox Head are dying in the arse for lack of customers willing to be eaten. On the upside, the golf courses are doing great business.

TALK TO THE ARM

PERTH artist Stelarc has beaten us to the punch by growing an EAR on his ARM. 'Cos we were gunna do that. Stelarc, who holds down a gig as a professor at Curtin Uni, had docs insert a dummy ear under the skin of his left forearm, and now the FUCKEN THING is growing. "The ear is pretty much now a part of my arm, and it has it's own blood supply," he said. The next step is to stick a whacking great microphone in it and broadcast whatever his arm-ear hears over the internet. Erm... beaut! We dunno what Stelarc is gunna get attached next, or where, but the words "dick" and "head" have been whispered around campus, so that may be a clue.

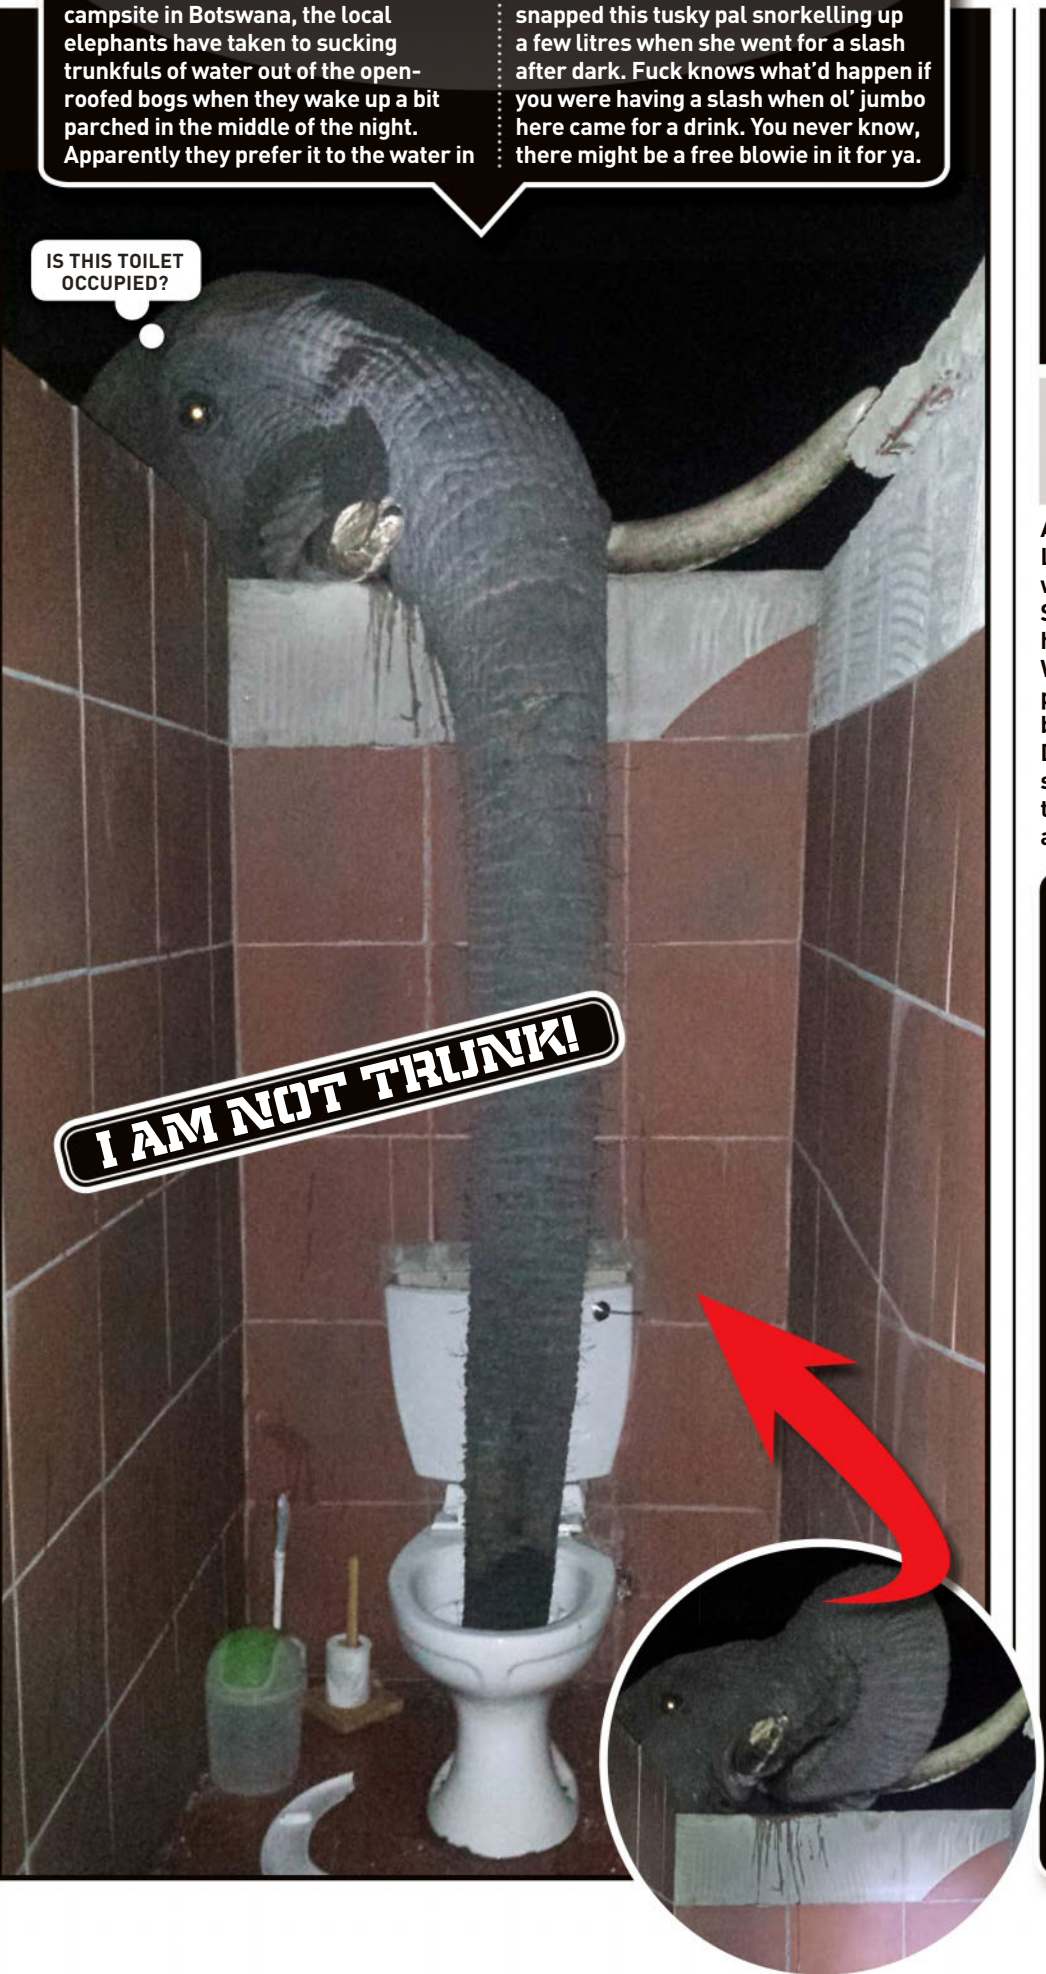
TOILET WATER

WE'VE heard of dogs having a quick slurp out of the toilet bowl before, but this is ridiculous. At this tourist campsite in Botswana, the local elephants have taken to sucking trunkfuls of water out of the open-roofed bogs when they wake up a bit parched in the middle of the night. Apparently they prefer it to the water in their local drinking hole 'cos it's too salty. They don't seem to mind the beaut taste of SHIT and PISS, but. One tourist snapped this tusky pal snorkelling up a few litres when she went for a slash after dark. Fuck knows what'd happen if you were having a slash when ol' jumbo here came for a drink. You never know, there might be a free blowie in it for ya.



BRA BLOCKS STRAY BULLET

A WOMAN in Germany can thank her LINGERIE for saving her life when she wandered into the middle of a BOAR HUNT. She was riding pillion on a motorcycle behind her hubby across a field in Mecklenberg-Western Pomerania, when she felt a sharp pain in her TITTY. When she reefed off her bra, she discovered she'd been SHOT. Doctors reckon the bullet was a ricochet stopped by the underwire bit of her boob tube. The couple didn't realise they were in an area used to hunt wild boar.

GROOM SUES UGGO BRIDE

A BLOKE in Algeria is suing his bride for $20,000 for being PLAIN when she took her make-up off. The bloke told a court in Algiers he had never seen his wife without her warpaint on until the morning after their wedding, and she looked so different he didn't recognise her, thinking she was a BURGLAR. "He said he was deceived as she used to fill up her face with make-up before their marriage," the local rag reported. "He said she looked very beautiful before marriage, but when he woke up in the morning and found that she had washed the make-up off her face, he was frightened."

DINNER AND A ROOT

Mr Lion bonks the cook

THE lions in Botswana's Chobe National Park are a chauvanistic bunch, make no mistake about it. They like their women – that'd be the park's lionesses – to have their dinner on the table when they get home, and to be ready for some heavy-duty BEAST SEX as soon as the eatin' is over.

And sometimes, if the missus has had a busy day with the cubs and is running a bit behind in her WIFELY DUTIES, they don't mind BOTH AT ONCE.

As these HEARTWARMING pictures show, Mr Lion is quite happy to throw one up Mrs Lion even as she prepares the evening meal, in this case a tasty buffalo, apparently intended to be served sashimi-style.

As she gnaws on the main course's hind leg, ol' poppa lion is already GREASING HER SKILLET from the rear.

And when he's done EATIN' and ROOTIN' he'll go and have a 48 hour nap, while the little women kills a couple of wildebeest for Sunday brunch.

It's good being KING OF THE JUNGLE. Picture

TWO-STROKE SURFER

Aussie madman takes chook-chaser out on the waves

IT'S a step up from riding your BMX into the family pool, where the worst that could've happened is a chipped tooth and a kick up the arse from ya dad.

But Aussie stunt motorcycle rider Robbie Maddison took aqua-biking to a whole new level of "FAAAARK!" in Tahiti, tackling the monster waves at legendary surf break Teahupo'o on a MODIFIED DIRT BIKE.

It was a long-held dream of the bloke from Kiama, south of Sydney, and one which – STUPIDLY, some might say – he had to pursue. "I fantasised about putting skis on a bike and riding on water. I kept toying with it, and eventually, it became a reality."

And while he probably could've done it on a nice quiet pond somewhere, Maddo instead chose Teahupo'o, one of the world's gnarliest surf breaks, whose name translates as "place of skulls".

Appropriately, he was SCARED SHITLESS.

"I honestly thought that might be the end of my life. It was a near-death experience." he told *Surfer* magazine. "The ferocity, and how gnarly that thing was can't really be put into words." Picture

MAKE IT STOP!

The animals hate us, and they always have...

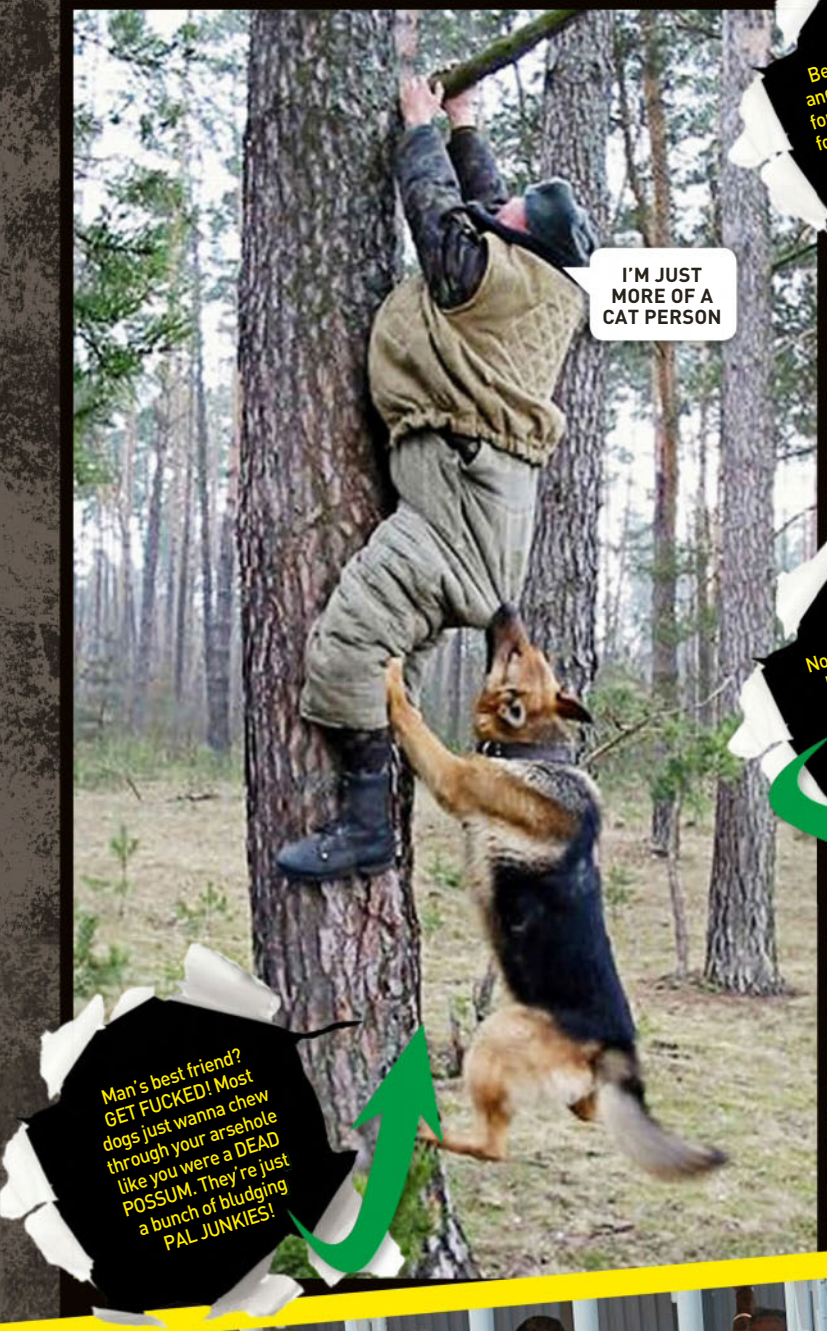
He raised that python from a PUP, treated the little prick like it was his OWN SON, and this is the thanks he gets. It's heartbreaking, but what did he expect from the SLITHERY SLIMEBALL?

Apart from spelling their names stupidly, llamas don't seem to understand that NO MEANS NO. And being WIRED ON COCAINE is no excuse. They're just RAPEY SHEEP.

ANIMALS – they're cunts, aren't they? They're a bunch of bitey, scratchy, fangy, pissed-off dickheads that have no respect for us heaps more evolved humans.

Sure, every now and then you get a mutt that saves some kiddies from a house fire, or a horse that can count to three by stamping its hoof, but most critters are dodgy pricks that'd maul, gore or ENVENOMATE you soon as look at you.

Here's a bunch of the worst offenders. There's heaps more like 'em out there, so just be careful, eh readers. Picture



Man's best friend? GET FUCKED! Most dogs just wanna chew through your arsehole like you were a DEAD POSSUM. They're just a bunch of bludging PAL JUNKIES!

Because camels are so BIG and DUMB, nobody caught on for ages that they have a taste for human BRAINS, especially YOUNG ONES. Some times, they'll just EAT THE HEAD and leave the rest.

Notice how this sleazy JOE BLAKE is going for her MOOT? That's right, readers, this bastard SNAKE-IN-THE-GRASS is trying to CUT someone's grass! Boo HISSSS!

No matter how many people GO VEGGO, fucken bulls keep doing their rags and tryna GORE AND STOMP everybody. These BOVINE BUTTHEADS really do have some anger issues.

JESUS, YOUR BREATH REEKS
Yeah, yeah, camels can go for yonks without water, and they have beaut toes that look like vaginas, but wait 'til one tries to EAT YA BRAINS through your skull and see how you like THAT.
Squid are sneaky pricks and don't fight fair – they spit ink in ya face, then run away to get their GIANT mates. Let's CRUMB and DEEP-FRY the lot of 'em before it's too late!
Monkeys? Don't get us started. Most of the little fleabags are members of street gangs and on THE DRUGS. And when they were in that band, they didn't even play their own instruments.

MY NEW FUR COAT'S A BIT LIVELY...
You wanna know why leopards never change their spots? TOO FUCKEN LAZY. And what's more, they demand piggy-back rides everywhere. FUCKERS!
The French have the right idea about horses – eat them before THEY EAT YOU! That's right, readers – the equines have been masqerading as vegetarians for all these years.
GOT ANY TOMMO SAUCE?

It's a fair indication of the average pigeon's MORAL COMPASS that this FLYING RAT responded to the little champion's bird seed hand-out by SHITTING ON HIS HEAD.
A lot of people don't like cats. They may be on to something. This one trained with the fighting Shaolin monks of China and can now KILL HUMANS in18 ways. Well, 19 if you count the smell of it's SHIT.
In olden times, superstitious pricks used to think GOATS were in league with THE DEVIL. That seems pretty much ON THE MONEY when you look at ths TERRIFYING ATTACK.
You'd think after a lifetime of FREE CHIPS, this seagull would've been a bit grateful. But NOOO. He had to come back and STEAL DESSERT.
You know Skippy, star of the late 1960s TV show? Well, he took a lot of steroids, joined an outlaw KANGAROO POSSE and now goes around PUNCHING SHIT out of photographers.

Janet Mason's a 17-year
MEGA MILF

YA, UM!

veteran of DIY porn

THE queen of home-made porn Janet Mason keeps up a scrumping schedule that would wear out women half her age.

Night and day, she's doin' it for her fans – shagging the spoof out of fit young blokes while her hubby films it for their website, janet-exposed.com.

The 48-year-old Seppo mega-MILF has been rooting up a storm on the net since 1998, and she even made a brief foray into pro porn several years ago, which earned her a nomination as the AVN MILF/Cougar Performer of the Year award in 2010.

She didn't win, but she did show the big porno producers that feisty independents can still be contenders. These days she's back doing what she does best – grappling with ginormous dicks at home for fun and profit.

"People who don't know me assume from the way I look that I'm an innocent little 'soccer mom' type," she cackles. "They'd never guess that I own and operate my own adult web site."

Actually, the word 'innocent' doesn't exactly spring to mind when you watch Janet expertly extracting the jizz from a couple of wangs the size of draft excluders. 'Cos she does like her co-star's cocks on the LARGE-ISH SIDE.

"I say the bigger the better, both in length and thickness. A set of large, low-hanging balls is a nice bonus too!"

And she has no problem being a bit of a CRADLE-ROBBER either.

"I have a real weakness for smooth-faced, cute and energetic, much-younger guys, 18 to late 20s, with trim, super-lean bodies. And the older I get, the more I enjoy them.

"I get a real thrill out of exposing my body to them and having sex in front of an appreciative audience."

RONDA ROUSEY

The undefeated UFC Women's Bantamweight Champion and former Olympic Judo bronze medallist has DEADLY right and left hands AND an arm bar that rarely sees her fights entering round two. She also has a KILLER ARSE.

IT SEEMS like the whole world has gone nuts for UFC, the rock-'em, sock-'em martial arts comp where competitors beat the living shit out of each other for fun and profit.

And while all the blood, pain and PRIMITIVE SAVAGERY of UFC is undeniably beaut, what raises it from the level of being just another family-friendly sporting spectacle are all of the HOT BABES involved.

Either as fighters or as card girls, the spunks of the UFC are the CHERRIES ON THE CAKE.

So here's the latest batch of hotties to ROCK THE OCTAGON.

SHIT STOP

It was during a NASCAR event at Pocono Raceway, in Pennsylvania, USA, when Team Penske driver Brad Keselowski locked up his brakes on entering pit lane. He skidded in just as his crew were coming out to service his car, and that's when all HECK broke loose. Unable to stop in time, Kesso cleaned up three of his own fellas, who were dancing around the joint like chickens on a hot plate. A couple bounced off the bonnet, and the jack went hurtling into the air and nearly landed on top of the bloke who's been carrying it. "I'm sorry about that, guys," Kesso said over his radio headset after the nasty incident, and went on to place second. You can bet it'll all be on the blooper reel at the Team Penske Xmas party. And won't they have a good old laugh about it, then!

"ALWAYS HAVE THAT SEXY LOOK IN YOUR EYES"

OH, BROTHER

MY GIRLFRIEND loaned me her laptop recently so I could complete my work assignment and because I'm a dick, I found a folder marked 'don't open'. Of course, I opened it, and there were letters and emails, all from before our time together. They were to another man – my late brother, who was killed in Afghanistan. This is such a shock to me, because my brother and I were not close, and I never knew or met any of his girlfriends or partners. The thing is, I don't have the same last name as my brother, but we looked very much alike. It's a strange feeling, and I'm not going to disclose to her that I know, but I'm wondering if our resemblance played a big part in it. She has of course told me that an old boyfriend was in the military, but that was all. Am I right in not saying anything to her?

D.M., LITHGOW, NSW

TRINITY SAYS: ***Yes! Keep your mouth shut. You snooped! Poor form. She's done nothing wrong. No need to open wounds for her. Perhaps if the "ex in the military" comes up again then you could disclose you had a brother and tell a basic story. If – and only if – it naturally finds its way to the surface, talk about it. But do not tell her you snooped. Trust will be ruined, and you'll regret it!***

ROTTEN EX

MY EX-BOYFRIEND broke up with me two years ago and started dating another girl right away. He continued to fuck me for a year and then we stopped talking. His girlfriend thinks it only happened once and just hates me, but he and I have started talking again (talking really just means fucking) and he hasn't told her, but they've been dating for over a year. Not that I wanna be the psycho ex to email his new girl, but I want her to know that he's been lying to her from the start. How should I do it?

R.L., GOOLWA NORTH, SA

TRINITY SAYS: ***Babe, stay out of it. You're being as shit as he is. It's not as though by telling her you'll gain anything. Why you keep going back to this guy is the real issue here.***

CUTE = NO ROOT

I HAD a chick say she thought I was cute the other day. My mate said that means she won't fuck me. He said she needs to think I'm hot. How do I make a girl think I'm hot and not just cute? What's the difference between them? And what do you prefer?

O.B., MANEROO, QLD

TRINITY SAYS: ***Cute is like sweet, nice or cool. Hot is like sexy, fun or a tease. Making someone think you're hot varies from girl to girl. Just always remember to have sass, whether it's extroverted or mysterious. Always have that sexy look in your eyes. That's what gets me!***

CUNT OF A WORD

I CAN'T find a proper word to say for "vagina" while I'm having sex with the missus. "Pussy" sounds like something a kid would say. And "cunt" just sounds so mean. What is a word that I can use that doesn't feel weird?

CUNTFUSED, NO ADDRESS GIVEN

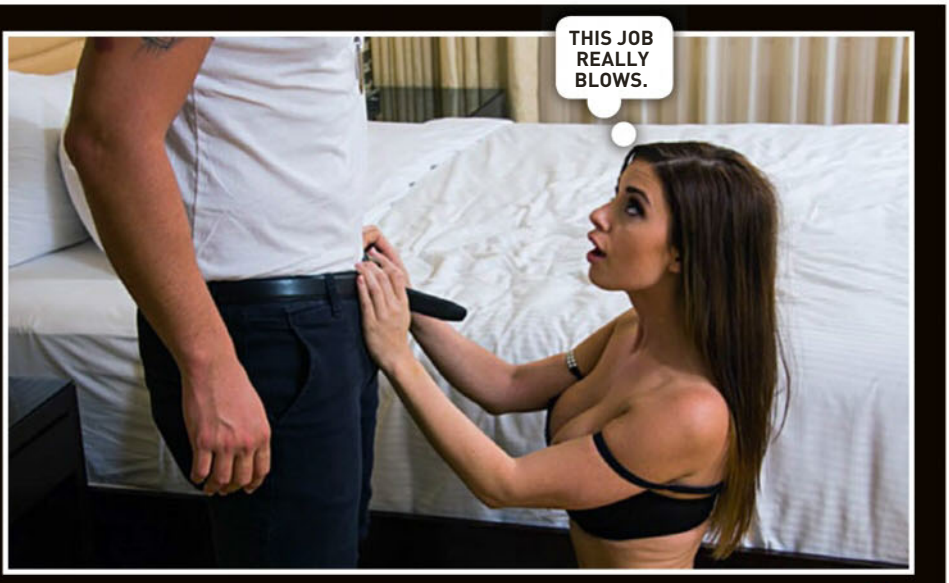
TRINITY SAYS: ***Gash; twat; flower; cumhole; taco; va-jay-jay; muff; map o' Tassie; bush; wet 'n' slippery; beef curtains; fur pie; cooch; poontang; poonani; soggy box; minge; bearded clam; banghole; axe wound; snatch. Pick whatever one you like!***

CLUSTERFUCK

I HOPE you can help. I had a threesome with my girlfriend and another girl, at my girlfriend's suggestion. About a week later, my girlfriend comes up with a new proposition. She asks me that since I got to have sex with another girl, if she can have sex with another guy. She says it's only fair, since I got to have sex with a girl outside the relationship, she gets to have sex with a guy. I told her no, since we never agreed on that in the first place and anyways, we both had sex with the girl in the threesome, not just me. What can I do Trin'? I'd like a way to settle this, without breaking up the relationship, and without her resorting to cheating on me.

T.L., FULHAM, SA

TRINITY SAYS: ***I think what she's asking is fair; however, the way she went about it is definitely wrong. She should have made that intention clear when negotiating your original two-girl threesome. If she cheats, give her the flick!***



TRINITY'S SEX TIP

NEVER EVER ask for a blowjob if you are not willing to reciprocate! That's one of my biggest peeves. I have known some entitled blokes who think this is normal – they could not be farther from the truth.

SLIPPERY WHEN WET

HI TRIN, I've tried using water-based lubes like KY and Durex Play but they seem to dry out way too fast. I really like to fuck for as long as I can – it's my favourite thing in the world, so why not do it for ever? But silicone-based lubes sound a bit too chemical for me.

J.J., WORROWING HEIGHTS, NSW

TRINITY SAYS: ***Dude, it ain't really chemical – there are very safe silicone-based lubes available, e.g. JO or pjur. Don't knock 'em till you try 'em.***

POUND CONTROL

I RECENTLY figured out that I love to take control and be dominant during foreplay and sex. I'm a 21-year-old chick with a boyfriend who is a good foot taller than me. My only problem is I'm not really sure what to say to him while taking control.

O.A., ESSINGTON, NSW

TRINITY SAYS: ***Just tell him what you want and what you're thinking, like 'shut the hell up and do me' or 'do it harder/deeper/faster' or 'be a good boy and give it to me'. Feel free to get as creative as you want.***

CUM AGAIN?

HYPOTHETICALLY, if someone's stomach was full of semen and they accidentally puked it into a woman's vagina, does she need to take the morning after pill? It's kind of urgent, thanks.

K.R., ASPENDALE GARDENS, VIC

TRINITY SAYS: ***Unless your vomit was like the one Linda Blair did in*** **The Exorcist,** ***you have nothing to worry about.***

DUM-DOM

MY GIRLFRIEND mentioned a little while ago, that she'd love me to dominate her. Great, I thought. That's hot, I'd love to. But here's the thing. Every time I'm dominating her she does this thing which she thinks is playful. She won't stop saying things like, "Is that all you got?" and "Is that the best you can do?" I get bored instantly, and I feel like I'm wasting my time. I can't be dominant if she's treating me like a loser. What should I do?

M.T., BARNEYS REEF, NSW

TRINITY SAYS: ***It's pretty simple, mate. Tell her to shut the fuck up! Tell her that she's not allowed to talk. Tell her she's not even allowed to orgasm unless you let her. Sex shops sell gags for a reason!***

TRINITY WANTS TO HEAR FROM YOU!

Get up ya SOOK!

FOR those of you who reckon putting up a tent must rank among the world's least dangerous pursuits, just take a fucken look at James Pattinson of Hexham, UK.

Jimmy's injury happened as he was setting up his canvas home. As he CAMPED IT UP, he tripped over and fell on to a tent pole – EYE FIRST.

It didn't take long to register that something was amiss, and James and his mates jumped in the car and headed for the nearest hossie.

However, because it didn't have an emergency department, the Great North Air Ambulance, a sort of Pommy flying doctor service, was dispatched.

When James finally got to a fully functional hospital, the length of the pole prevented him from going into a scanner, so firemen lopped it off with bolt cutters.

The scans showed the pole had missed his bloodshot eyeball by two-poofteenths of a CUNT HAIR and would cause no damage.

Medicos just ripped the fucking thing out and James went home and had himself a few pints of SHITHOUSE Pommy beer. Which probably then leaked out his eye. ■ Picture

THAT'S NOT A MILF!

I FULLY appreciate the MILF phenomenon, being a fan of older babes, but sometimes they really stretch it when they start describing 30 year-olds as MILFs. sure they may have had a kid, but that's not what makes them a MILF. A MILF is just an older babe that truly still loves the cock and makes sure she gets it. Sort of like a cougar, except cougars tend to go for younger blokes all the time, while a MILF is perfectly happy with an older bloke. Which is why I like 'em, heh heh heh. Just thought I'd clear this up for ya.

JACKO, WOLLONGONG, NSW

MUNGO SAYS: Thanks for that, Jacko. You're right – sometimes the word MILF is chucked around a little too freely. You'll be happy to know that on this very issue one of the finest MILFs on the planet, Janet Mason, is naked and waiting for you. She's the real McCoy, too – nearly 50 and as horny as can be. .

OH NO, NOT ANOTHER ONE!

WE WERE wondering if this bloke might be your long lost twin brother. He reckons his name is Gus MacTavish. Met him at the pub the other night, he's a bloody trooper!

J.L., NO ADDRESS GIVEN

MUNGO SAYS: Yeah, he's the black sheep of the family – the one that always held down a responsible job, never got in the shit with the law and can be trusted not to go to the pub and disappear for a week. None of us'll talk to the cunt. Ya gotta have some standards, so we made him change his name. Handsome bloke, but.

SIZE MATTERS

HI MUNGO, I am pissed off at the number of times I've gone to the pub, met a bloke, gone back to his place and found he's only got a little dick. All of my girlfriends tell me they've experienced the same thing. It would be really, really good if guys with small cocks could identify themselves so to avoid wasted time and embarrassment. How about those with dicks over seven inches wearing something purple and those with smaller ones wearing something orange? You've got a lot of influence, Mungo, could you get the ball rolling with the male PICTURE readers?

C.M, LABRADOR, QLD.

MUNGO SAYS: You'd be relying on the honesty of blokes, and that can be a bit risky. A bloke might wear the purple, but actually be an orange. Or worse still, a pink. Nah, I reckon you should stick to the tried and tested method – grab every bloke in the place right on the cock, gauge the size, and make your selection from there. Ya can't go wrong.

MUNGO WANTS TO KNOW...

What do you reckon is the horniest profession for women? Nurse? Elite commando? Even [shudder!] POLICEWOMAN? Let us know what you reckon, and we'll dress some up for ya.

You're Joking

A LAWYER had a wife and twelve children, and needed to move as his lease was coming to an end for the home where he lived but was having difficulty in finding a new home. As soon he said he had twelve kids, no one would rent a home to him because they knew that the children would destroy the place.

He could not say that he had no children; he could not lie. After all, lawyers cannot and do not lie. So, he had an idea. He sent his wife for a walk to the cemetery with eleven children.

He took the remaining one with him to see homes with the real estate agent. He liked one of the homes, and the agent asked, "How many children do you have?"

He answered, "Twelve children."

The agent asked "And where are the others?"

The lawyer answered, with a sad look, "They are in the cemetery with their mother."

TWO Scottish nuns had just arrived to the US by boat when one said to the other, "I heard that the occupants of this country actually eat dogs."

Mother superior pointed to a hot dog vendor and they both walked towards it. "Two dogs, please," said one.

The vendor was only too pleased to oblige and he wrapped both hot dogs in foil. Excited, the nuns hurried over to a bench and began to unwrap their 'dogs'.

The mother superior was first to open hers, stared at it for a moment, then leaned over to the other nun and whispered cautiously, "Which part did you get?"

The wife still doesn't believe his story, and the next day checks the phone book, and finds a place called the Golden Duck. She calls up the place to check her husband's story. "Is this the Golden Duck?" she asks when the bartender answers the phone.

"Yes it is," the barman answers.

"Do you have huge golden doors and a golden floor?"

"Most certainly do."

"What about golden urinals?"

The woman hears the bartender yelling, "Hey, Rich! I think we have a lead on the cunt that pissed in your saxophone last night!"

THE JOKE'S ON YOU

THIS WEEK: SMOKERS

CIGARETTES ARE JUST LIKE WEASELS. BOTH ARE COMPLETELY HARMLESS UNTIL YOU PUT THEM IN YOUR MOUTH AND TRY TO SET FIRE TO THEM.

I CAUGHT my son with a packet of cigarettes yesterday. To punish him, I tied him up in the garden, doused him in petrol and set him on fire. I thought it would be enough to teach him a lesson, but I just looked outside and he's still smoking.

EVERY cigarette you smoke takes five minutes off your life. According to my calculations, I should have died in 1879.

I USED TO SMOKE BENSON & HEDGES, BUT THEN I CHANGED BRANDS. IT'S ALL BEEN DUNHILL FROM THERE.

I TELL you what; you wouldn't smoke if you went down to the cancer ward. They've got a smoking ban in effect like every other public building.

FOR MY NEW YEAR'S RESOLUTION, I HAVE DECIDED TO ONLY SMOKE AFTER SEX. IF THE LAST FEW YEARS ARE ANYTHING TO GO BY, I THINK I HAVE ACTUALLY QUIT.

THREE PEOPLE IN A LIFEBOAT HAVE A CIGARETTE, BUT NO MATCH. HOW DO THEY LIGHT IT? THROW ONE CIG OVERBOARD; THE BOAT WILL THEN BE A CIGARETTE LIGHTER.

These sisters like rooting more than blokes like free beer

SISTERS ARE DOIN' IT ...

"ME AND MY SISTER BOTH GOT INTO PORN TOGETHER"

WE DON'T know that many pairs of sisters who are both porn stars, so when we meet some, it's always worthy of a big HIP-HOO-FUCKEN-RAY.

Whitney and Britney Stevens are Seppolian models and porn actors from Palm Springs, California, who, despite being three years apart in age, came into the porno game around the same time, and have actually rooted the same bloke on screen together seven or eight times.

Don't worry, but – they didn't go the tonk on each other, 'cos that might be considered a bit TACKY in some quarters, and they do like to keep things all in the best POSSIBLE taste.

So their scenes together,

Britney

Whitney

where they take it in turns to ride a bloke's knob, are so homely you could show your mum. Really.

Of course, what you all really want to know is, do they ever fuck blokes together when they're NOT making a porno? And the answer is a joyous YEPPITY-YEP, according to Whitney, the younger of the two at 27.

"Yeah, we did," she said in an interview.

Was it her boyfriend, yours, a friend?

"A friend of ours that we met in a club."

Whose idea was that?

"It was the guy's idea. Obviously."

You said yes to him. How many guys before that had you said no to?

"A lot. A lot of guys out there want to have sex with two sisters."

Well, sure. Who wouldn't? Would you ever want to

“A LOT OF GUYS WANT
TO HAVE SEX WITH US”

Britney

Whitney
PIN-UP
1386

have sex with two brothers?

"Yeah, I think it would be fun. Why not?"

See? That's exactly what we're talking about.

And while on the subject of family, the OBVIOUS question is – which Stevens sister should marry former Australian test cricketer and loved TV presenter Mike Whitney?

We say definitely Britney. 'Whitney Whitney' would just sound stupid. But we're getting way ahead of ourselves.

Britney and Whitney may not want to give it all up, even for the 22nd best test bowler in the world.

But the question remains: will they ever work together again?

We can't say, but if you pray real hard, and go to bed with this copy of THE PICTURE under your pillow, who knows what might happen? ■ Picture

HANNAH

ISRAEL, MIDDLE EAST

POPULATION: 8.2 million

SHE LOOKS FIT AS FUCK. WHAT GYM DOES SHE BELONG TO? TEL AVIV FITNESS FIRST?
No gym, that's just good old Israeli Defence Force training. They all do it, you know, the national service, even the smoking hot babes.

AH, WOMEN IN UNIFORM. WE LIKEY VERY MUCH. IS GOOD.
Yes indeed it is. These days, Hannah uses her old army uniform in a strip act she calls *The Six Day Phwoar*. It always goes down a treat with the Israeli troops. Talk about a happy ending!

WHAT'S THAT FUZZY BIT OF PUBE SHE'S GOT THERE?
That's called a Gaza Strip. They're very popular with the babes over there. Everyone gets very excited over them.

SPEAKING OF GETTING EXCITED, WHAT GETS HANNAH'S FLAG WAVING?
Here's something she prepared earlier: "I love the feeling of the warm Middle Eastern sun on my naked body as I lay on the beach. A trickle of sweat slides down between my luscious, peach-like 34C breasts, which are exactly average size for women of my nation. Later I will drink coffee and eat ripe figs in café with my young friends, but now I want to make the sex with gorgeous

MetArt

fellow whom I have just met on beach, and whose Speedos are so tight I could tell he was a good Jewish boy from 10 metres away."

HMM... HANNAH SOUNDS LIKE A BIT OF A GOER.

She goes, mate, don't you worry about that. A couple thousand squats have tightened her thighs like steel springs. We don't recommend her for anyone with pre-existing heart conditions. It's all very well her being able to kill a man with her bare hands, but she could do your back in.

PERHAPS WE SHOULD JUST CUDDLE THEN.

That might be wise. Picture

Made in Oz Girl

EVERY now and then you see a chick SO HOT you can't speak so good. And Tenille, from Middle Ridge in Queensland, is one of them LADY CREATURES that makes us ENGLISH REAL BAD. So it was no surprise when she told us to go and GET FUCKED after the first question we rudely asked was about

KNEEL BEFORE TENILLE HERE...

THE PERFECT Ten

It doesn't get any better than Tenille

her sex life. "I can tell you that I like cooking and dancing, though," the 21-year-old waitress chortled. "But I like to keep my sex life private."

We understand, Ten'. What type of person do you go for?

"I love skinny guys, usually the dark-haired ones. Confidence is a very important thing, too."

Do you ever have trouble finding a bloke?

"No, not really. I can get all the hot boys I want. And I feel sexiest when I know I'm turning somebody on."

Right now, it's around about A BAZILLION readers.

"That's even better. It was so fun doing these shots. Do you think I look nice?"

Nice is an UNDERSTATEMENT. We think you should do it more.

"Well, I've always wanted to receive fan mail. So if I get some,

"I'D LIKE TO TRY STRIPPING"

Made in Oz Girl

I'll do another shoot. Does that sound good?"

Start writing now, you blokes! Tell us, Tenille, what's your ULTIMATE fantasy?

"I want to own my own café. I'm waitressing and managing one at the moment, and I'm saving like mad."

Er, good on ya... but do you have a SEXSHUAL fantasy?

"Oh. I'd like to try stripping. I think a lot of girls fantasise about it – having a bunch of men ogling you, and having them in the palm of your hand. And it would definitely help with the savings!"

We'll happily pay to see that!

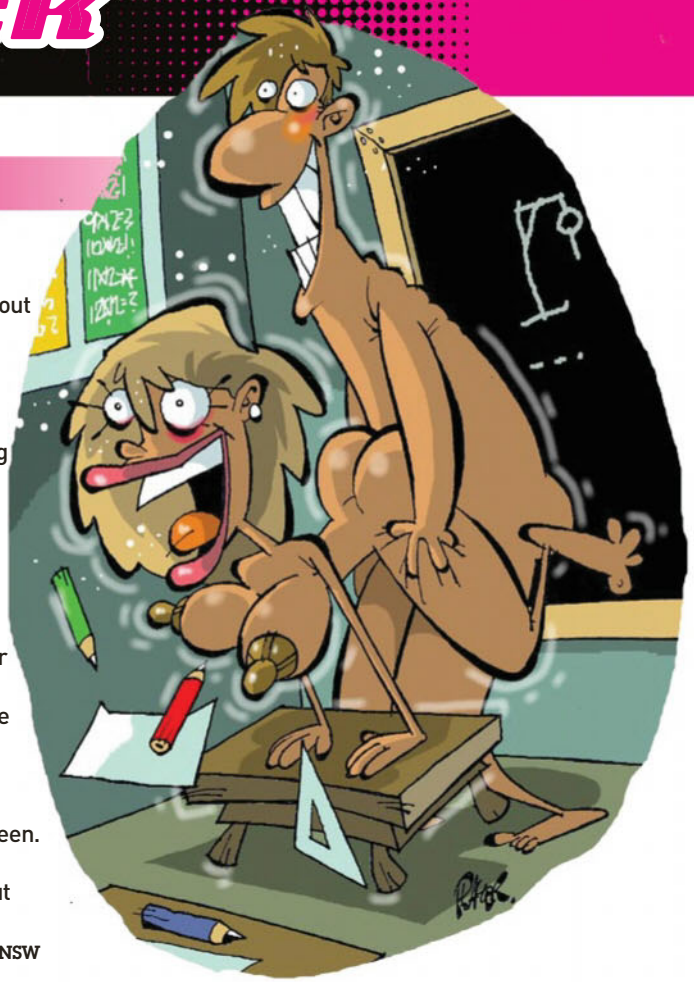
My Sly Fuck

TEACHER'S PET



I WASN'T looking forward to my 10-year school reunion. I went to an all-boys school and there weren't going to be any babes there.

It was being held in the school, and after an hour of listening to cunts wanking on about how much money they were making, I got the shits and went for a wander.

The highlight of my time at the joint had been perving on our lone female teacher, Miss Patterson. She was probably less than 10 years older than us, a real honey, and everyone had the hots for her.

So just for the hell of it, I went into the classroom where she used to take us for English, and fuck me if she wasn't there sitting at her desk marking some essays.

I was stunned when she looked up and greeted me by name. We chatted for a few minutes, then she stood up and walked over to me. "I knew you all wanted to fuck me back then," she said, "but what you didn't know was that I had the hots for you boys, too."

She explained that she wasn't about to risk her job fucking the students, but since I was all grown up now...

You bewdy! I grabbed her arse in both hands and lifted her onto her desk, spreading her legs and pulling her panties aside so I could munch on her well-tended snatch.

She was grunting filthy stuff in my ear as I unzipped and dropped my pants with one hand, then she guided my cock into her. The slow grind ended about five minutes later with me shooting my load up her dripping nunga and her humping me with a powerful pelvic rotation until she popped her cookies.

I went back to the re-union and when someone asked me where I been. "In the English room, fucking Miss Patterson." No-one believed me, but I didn't care.

CUTTING THE GRASS

HERE I was, 19 and still living at home, copping shit from my dad for wanting to party all the time. He also didn't like my boyfriends, and kept telling me: "No daughter of mine is gunna go out with these no-hopers."

Then he warned off all my boyfriends and told me I'd better get a job and start paying my way. I didn't have a lot of choice, 'cos I was broke as, we lived in the middle of nowhere and I didn't have a car.

One day, everyone else was out, when I heard a mower fire up in the backyard, and remembered dad had hired a gardener to come around and spruce the place up. Once I clapped eyes on the tall, tanned, tatted spunk behind the mower, my mind hatched a plan.

I put on my tightest shorts and tiniest crop top and took a cold can of Coke out to him. I stood there thrusting my tits out as far as I could while he downed it. He kept looking at my tits with his eyes bulging out, and I was sure I could see his cock getting hard inside his work shorts.

Just to make sure, I dropped to my knees and pulled it out of his shorts. I gave him my best sloppy blowjob, stopping to give myself time to wriggle out of my clothes and lie down and pull him down on top of me. He was sweaty and covered in dust, but that just made it better.

He ploughed my hot little shaved box until I gushed out an orgasm, then let him shoot his geyser of spoof inside me. I picked up my clothes, gave him a cheeky wink and went back inside.

That night dad told me the gardener was gunna be coming around every two weeks from now on. In my mind, I silently went: "Yesssss!"

KING OF THE CASTLE

GETTING roped into going to my sister's kid's birthday party was a bit of a pain, and I wasn't looking forward to a day of rugrats eating cake and throwing up on me.

I couldn't get out of it, so I armed myself with a hip flask of rum and figured I'd find a quiet corner to get pissed in, and maybe the ankle biters would leave me alone.

When I got there I saw there was a bouncy castle being set up in the backyard, and in charge was this horny little blonde wearing denim cut-offs and a cheeky smile.

I gave her a hand, and she gratefully rubbed her pert arse against me by way of thanks. It might have been accidental, but after what happened, I don't think so.

As it worked out, the bouncy castle cut off a corner of the backyard, and when things where in full swing and the kids were going berserk, I found her and asked her if she fancied a little rum break.

She was keen, so I led her through the bushes around to the back of the castle and we slugged down a couple of nips.

Before I could even make my move, I felt her hand massaging my dick through my jeans, so I let her take charge.

She pushed me onto my back and straddled me, unleashing her sizable tits from her T-shirt and rubbing them in my face.

Then she grabbed my hand and pushed it down the front of her cut-offs, where I could feel her shaved smoo was already wet and ready. She wriggled out of her shorts and panties, unleashed my cock, and rammed her moot down on it hard.

Not wanting her to do all the work, then I flipped her over and pile-drove into her until we both came like bandits.

Luckily, the tin-lids were yelling so loud no-one could hear us.

GO HARD! GO HOMIES!

This week...

BEAUT BUM ASK THE HOMIES BEDROOM BABE TOP TITS

BAILEY
GOLD COAST, QLD

Bailey is a 21-year-old tattooist and "massive nudist" who has but one requirement for a bloke. "They have to have a big dick." ***Where will you be looking for these Ron Jeremy-esque wangs?*** "I am a party girl and I am about to backpack through Europe for eight months. We will be over there for Halloween in Transylvania, then we'll get wild in Amsterdam. We are going to have a white Christmas in Sweden, then Hogmanay to celebrate New Year's. It will be winter while we are there. It might be a bit nippy, but I am sure we will have lots of sexy tanned European boys to keep us warm. It's just me and my sister travelling together, and we are both single." ***If you share rooms on holidays, what happens if one of you brings back a tanned European guy to warm up with?*** "Hopefully, he brings a friend with him." ***You might have to share otherwise.*** "No way. Finders keepers."

HOW OFTEN DO YOU WATCH PORN? "I like watching it with my partner before sex."

"I watch porn with my partner before sex"

DORO
GLEN IRIS, VIC

German traveller Doro is here in Australia looking after someone's kid, no doubt to the joy of the father who comes home each day and finds her great Hunnish arse in his house. ***What do you like getting up to when you aren't working with kids?*** "I love a glass of wine or two. I wouldn't say no to an Aussie bush doof, too." ***What about adventures in No Pants Town?*** "Once, I had sex in my boss's office with his wife. Well, we had to sort out the desk afterwards and the boss joined in later." ***What do you like about threesomes?*** "The more hands, the better." ***So you have had more hands on you?*** "No, no more than three." ***What else do you like about Oz, besides our INANE questions?*** "I love being underwater." ***Which is obviously more fun naked?*** "I suppose. But it has been too cold this winter to be naked."

HOW OFTEN DO YOU WATCH PORN?

"I watch it here and there. I prefer bisexual and swinger porn."

"I had a threesome with plenty of girl-on-girl"

NADIA
NEWCASTLE, NSW

"Whatever makes you think that I would ever be naughty?" asks 25-year-old sales rep Nadia. "I am a good girl." ***We were sorta hoping otherwise, despite the wedding veil. What's the goss with you? Are you easily embarrassed?*** "It is very hard to embarrass me. If I had to do the walk of shame, I would rather hold my head up and say 'fuck, yeah' instead of hanging my head in shame." ***Whoever set you on your walk would be holding their head up with pride, too.*** "And I have had a FFM threesome with plenty of girl-on-girl action. It is nice to change things up every so often. I have not had more than three, though." ***Holy COCK ROSTER, Batman! Would you like to try more? Like – say – an ORGY?*** "I am unsure about an orgy, but I am not totally ruling it out." ***That sounds a lot like a 'yes' to us.*** **HOW OFTEN DO YOU WATCH PORN?** "Probably about once a fortnight or so. I am open to a few different types. The last one I watched was 'babysitter gets caught with husband'. It did the job."

BAMBI
BYRON BAY, NSW

This 34-year-old waitress has a flexible definition of monogamy – one we certainly like. "I love getting drunk with my prettiest girlfriends, then watching porn together, kissing and sucking each other all over. We don't call it cheating, but we keep it secret from the boys." ***They are probably just stroppy they can't watch it happening. What was your first girl-on-girl experience like?*** "It was when I was a teenager. My parents caught me at a party. But it didn't stop me." ***Did that begin a lifetime of getting DOWN in public places? What's the deadset NAUGHTIEST place you've done it?*** "The naughtiest place I have had sex was in the change room at a spa. The only thing hiding us was a curtain! But I think they could hear my moans." ***os they were wanking.*** **HOW OFTEN DO YOU WATCH PORN?** "I watch a lot of porn. I mostly like hardcore stuff because it gets me really hot. I also like watching naughty porn, like three big cocks in one special girl with gorgeous tits."

"I like hardcore because it gets me hot"

"My all-time favourite category is DP"

K.J
MOSMAN, NSW

This 29-year-old receptionist can take our DICTATION any time. "I have been to swingers' clubs quite a few times to have fun." ***You have a thing for moustaches and chest hair?*** "Swingers clubs are fun." ***Tell us why on account of we're a bit THICK.*** "The best part was the mattress room. The walls and ceilings were all mirrors, the floor was a giant mattress and there were about 20 people in a normal bedroom-sized room all going crazy with each other. Knowing someone is watching me have sex is a turn-on and exhilarating. I like to think back to those moments. It makes me look forward to the next one." ***Let us know if you get a plus-one.***

HOW OFTEN DO YOU WATCH PORN?

"I watch porn maybe five nights a week. My all-time favourite category is DP. And the girl has to have huge tits and I like to hear the guys enjoying themselves. I also love group sex porn. It is sexy seeing so many people all enjoying themselves with no inhibitions."

KETTLE
SYDNEY, NSW

$30 ASK THE HOMIES

"I wish I was brave enough to pose nude. Where do you get the courage? And do you ever masturbate to your published pics? Thanks for reading my questions!"
CLEM, MOORABBIN, VIC

KETTLE SAYS: ***"It's about having confidence in myself and my body to do shoots like that. Being comfortable in your own skin is so important. I appreciate my own body, but I don't masturbate to it."***

NICOLE
PERTH, WA

$30 ASK THE HOMIES

"Have you had a chance to swim naked since your interview? Maybe you can join me at my local nudist beach? It might be a bit tough, as I live near Cairns."
JOE, PALM COVE QLD

NICOLE SAYS: ***"No, I have not swam naked since my interview. If I happen to be in the area and I have the urge to go to a nudist beach, I will try to find you."***

SCARLETTE
PARA HILLS, SA

Last issue, Adelaide girl Alycia told us about having a threesome with her former teacher. It turns out 21-year-old Scarlette was her partner in crime. "He was not the same guy when he left; me and my girlfriend get carried away a little too easily." ***Obviously not your first root with her.*** "We have had sex a couple of times. To be honest, I was more occupied with her to worry about him half the time. Women look good, feel good, taste good and know exactly how to touch you. What is not to love about looking at a soft sexy woman between your legs?" ***What is the biggest group you have had?*** "Only two others. I would not want to overcommit and not satisfy." ***So if you walked into a room at a party and there were 10 naked hot girls having an orgy, you would go back to the kitchen and get another drink instead?*** "No way. That would make me an idiot."

HOW OFTEN DO YOU WATCH PORN? "Every day. Lesbian porn is the best, without a doubt."

KARMA

ADELAIDE, SA

In two days, Karma turns 20. But she has already given her best mate a present. "I recently fucked my girlfriend, who is also my best friend." ***Fight over the last cucumber get out of hand?*** "We were having some champagne, and then one thing lead to another, really." ***Sounds like you DUG it.*** "I didn't like anything about it." ***Huh?*** "I loved everything! She has been my girl crush for a while. I wouldn't be complaining if it happened again," ***Had much girl-on-girl experience?*** "I have slept with a couple of girls; I am more of a pussy eater." ***What would you recommend about eating pussy to someone who has never tried it – Elton John, for example?*** "I just love pussy all together, but mainly, I like tasting girl-cum in my mouth." ***And the best way to get her there is...*** "You have to be slow and steady."

HOW OFTEN DO YOU WATCH PORN?

"I am not really a porn girl, but when I do, I love hardcore BDSM."

“I love the sound of the motor”

SCARLET ROSE
SYDNEY, NSW

“I’ve been riding since I was 14,” says dreadlocked, pierced and tatted-up 28-year-old Scarlet Rose. ***And what about motorbikes? Zis boom bah! Erm, yeah, so whose bike is in the shoot?*** “It’s my friend Daniel’s bike.” ***So you like getting dirty on two wheels.*** “I love motorcycles.” ***What is the sexiest thing about them – other than your naked body’s proximity?*** “I love the sound of the motor.” ***Ever ditched the leathers and ridden naked?*** “No, I haven’t but it’s on my bucket list.” ***What about in a car?*** “Yes. And I have had sex in one. It was a few years ago. A friend and I went out for a drive, and we found a quiet reserve, dares were thrown around, and a nudie run may have occurred before we ran back to the XR-6 and had amazing sex in the back seat.” ***We’re not sure your mate’s motorbike is quite up to all that. But we’d SURE like to watch you try.***

HOW OFTEN DO YOU WATCH PORN?

“I watch it occasionally. And when I do, I prefer girl-on-girl.” ***That’s the ticket. Let’s hope it’s not a speeding ticket. Haha!***

"I feature in a few of the sexy scenes on the new *Housos Vs Fat Pizza* movie." ***You deliver a thin and crispy to a flat in Mt Druitt?*** "We have an awesome foursome for the camera. Although it wasn't the real deal, watching it, it looks legit." ***Was Paul Fenech good to work with?*** "Paulie is a total legend to work with. Lots of laughs and good memories, and a good friendship. We just finished filming the next of his films."

Ever made your own porn for yourself? "I'd be lying if I said I hadn't." ***What makes a good sex scene?*** "Paulie and myself!"

HOW OFTEN DO YOU WATCH PORN?

"I love porn. I watch it on a regular basis. I like it when it has two girls and one guy. And I like lesbian porn, dominatrix, whatever's going, as long as the porn stars are good-looking, and it's not that heaps old school stuff. Ain't nobody wants to see that hairy-scary shit."

DANII
MELBOURNE, VIC

Danii, 24, hasn't been up to many sex antics in real life, but she's been FLICKING hard through the one-handed literature. "I've been reading *50 Shades of Grey*. It is interesting learning about S&M, and Christian Grey sounds hot. I hadn't been interested in S&M in the past." ***Sounds like your sexy life is OPENING up.*** "Recently I went to an adult shop, too. This time, I brought some lingerie. My favorite adult costumes are police, nurse and secretary. I haven't fully worked out the appeal of role-playing in the bedroom, yet I just love the way the costumes look."

You and your sex shop-visiting friends must be up to date with each other's adventures between the sheets. "I once caught my best friend having sex in the bathroom, as she forgot to lock the door." ***Probably better that than other bathroom activities.***

HOMIES FLASHBACK

BABES FROM OUR "WONDER YEARS"

FLASHBACK TO JUNE, 1998

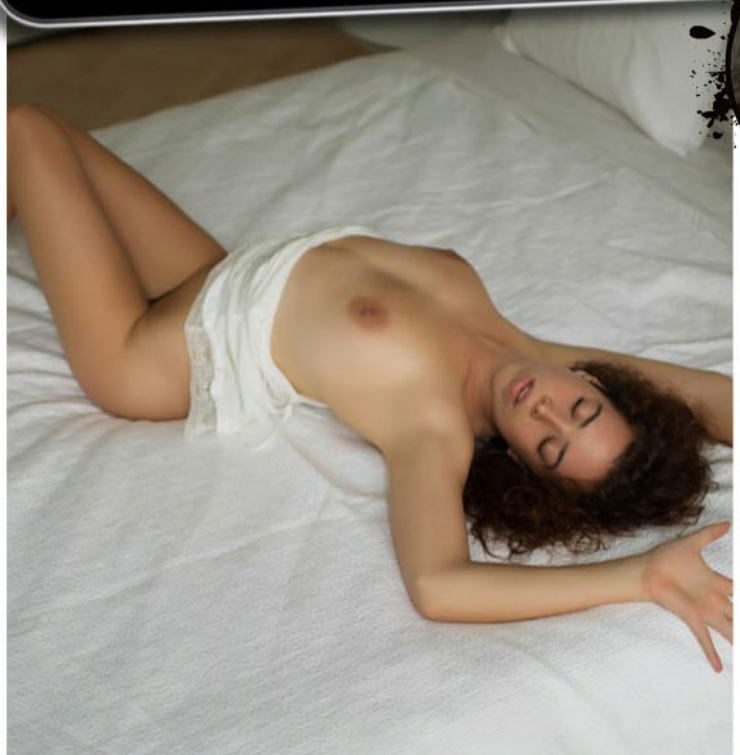
Musically speaking, June '98 was SHIT. British pop group *Steps* were polluting Aussie airwaves with their EAR-RAPING song, *5, 6, 7, 8*. It hit number-one on June 7th and in it *Steps* lamented the fact that their bootscootin' baby was driving them crazy. This, in turn, drove all of Australia CRAZY. At least the Home Girls were still nuding up, eh.

BUBBLEZ
LABRADOR, QLD

Today is 22-year-old Bubblez's anniversary, so this photo is her pants-off present to her bloke. ***What made this bloke marry you?*** "I am very bubbly and outgoing. I love the outdoors and modeling, and am a bit of a tomboy." ***And a bit adventurous in bed?*** "The most outrageous thing I have done is having sex in a bus. At the back." ***Did anyone see you doing it?*** "No, we were very sneaky about it. Someone has caught me having sex though in my room. They walked in and we giggled." ***Did you not ask them to DE-CLOTHE and join in?*** "No. It was my mum." ***You're not trying. Have you had group sex or threesomes before? Obviously without your mum...*** "Yes I have had two threesomes and one foursome; one with another guy and a girl, and the others were just guys. It was a while ago."

HOW OFTEN DO YOU WATCH PORN?

"If I had to choose porn, I love watching lesbian porn. And I love hentai the best."



NEAVE
MELBOURNE, VIC

If you are lucky enough to score a pass into this 21-year-old nanny's bedroom, don't cock it up by offering her a factory-farmed bacon sarnie, as you declare she's the only one for you. "I am a fruitarian and polyamorist. I eat fruits and nuts almost entirely. I also eat raw vegetables like sweet peas, avocados and leafy greens. I do this for ethical and health reasons." ***Is the pork chop-withdrawal worth it?*** "I have much more energy, and much better skin." ***We can see the skin. Tell us about polyamory.*** "I have one primary relationship, one secondary relationship and am entertaining the idea of more. Polyamory requires a lot of communication, but it can be really fun." ***Do you keep partners separate, or are threesomes part of the daily GRIND?*** "They are kept separate for the time being." ***Does jealousy ever make it's green-eyed appearance?*** "Of course. Same with any relationship, but we've worked things through so far."

HOW OFTEN DO YOU WATCH PORN? "I don't watch porn or erotica, but I read erotic fiction occasionally."

VUHLKANSU
MELBOURNE, VIC

When confronted by her bouncing castle-sized tits, we'd DEFINITELY make an effort to learn how to pronounce this 25-year-old body piercer's name PROPERLY. "My best friend and I had a threesome with a one-legged man once because we were drunk and bored." ***Was it very hard finding a one-legged man?*** "Well, we were both so incredibly drunk at the time we didn't actually realise he only had one leg. We noticed a few weeks later when we saw him again at the pub." ***Good lord, that's erm, STRANGELY hot. What unusual parts have you stuck metal through on other people?*** "I am still training, so I only do basic piercings. My next round of training includes genitalia. That'll be interesting." ***And painful, especially if you MISS during practice.***

HOW OFTEN DO YOU WATCH PORN? "I very rarely do. I would rather actually have sex than watch other people do it. When I do, though, I just go on Tumblr and look at GIF porn. I find the sounds people make in porn so over the top, so GIF porn eliminates that. Plus, they're short and only show the good parts."

CLOVER
BRISBANE, QLD

Half-French, quarter-Tahitian, quarter-Chinese; that makes Clover, erm, all SPUNK! This 24-year-old has just imported her awesome chest puppies from Paris to travel the Even Luckier Country. ***Been a bit bad since you got here?*** "Well, I'm backpacking, so is having sex in a 12-bed dorm and having the bed sheet fall down and you end up doggy-style in front of 11 other guys naughty enough?" ***Pretty NAUGHTOIS.*** "I don't mind anyone knowing I'm having sex." ***Have you boonted your way around the country?*** "The best lovers so far on my trip are Australians. I will miss Aussie boys and Byron Bay when I go back to France." ***What do you miss about France?*** "I mostly miss the food and the nightlife. And I have spent most of my summers in Tahiti."

HOW OFTEN DO YOU WATCH PORN? "It's hard to do when I am sharing a room with six people. But when I do, I like teen girls shagging a big cock. Or hidden cameras."

I am extremely excited." ***Do you see more stick flicks on the horizon?*** **Storm:** "I do see a future in it for me." ***Would you shoot a scene with Rose?*** **Storm:** "Definitely." **Rose:** "I am always up for new experiences." ***Would you do a scene with a guy on camera?*** **Storm:** "Nah, I wouldn't." **Rose:** "If I did one, it would more likely be with a girl, as it would be so much fun. JULIA
NORTHCOTE, VIC

The lovely Julia is an art student and nude life-drawing model who lives and works in the trendy Melbourne suburb of Northcote. And she's pretty staunch about getting NYOOD. "People don't realise how hard it is to be a nude model," the 24-year-old testified. "And people shouldn't be so judgemental of girls who have the balls to get their clothes off." ***Wait – you've GOT BALLS? This isn't that type of magazine…*** "Very funny. I meant courage, you know – guts." ***We get ya. And we support ya ONE MILLION PER CENT.***

What do you like getting up to? "Apart from my painting, I like partying and watching kids' movies." ***What OTHER stuff do you enjoy?*** "Reading literature and studying ancient history. I'm really interested in Europe and love learning about it." ***Yeah, but what ELSE are you into?*** "Oh, I get you. I'm very adventurous in the bedroom and have tried everything – even the weird stuff. But you can't beat good, old doggy style." ***Best bonk ever?*** "I hadn't seen my bloke for a while, and when we finally got together, we went at it frantically for hours." **HOW OFTEN DO YOU WATCH PORN?** "I don't – I just use my imagination and my boyfriend."

GO FACT YOURSELF!

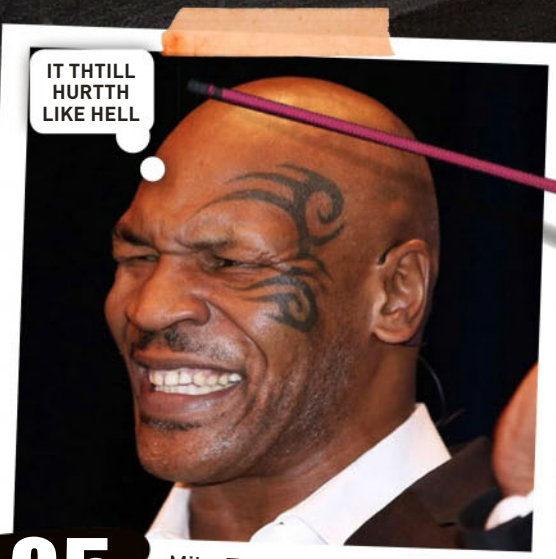
THIS ISSUE: FACIAL TATTOOS

01. Facial tattoos have been in existence for thousands of years, although anything featuring clowns or the words 'fuck you' tend to be more recent.

02. Most tattoo artists say they won't do facial tatts, and will generally only agree to perform a facial tatt if there are literally no places left on the body.

03. The Māori reckon the head is the most sacred part of the body. And Māori tatt is called a moko. So if you see a Māori bloke or sheila with a moko on their face... it means they're pretty bloody Māori.

04. The first word tattooed on the face was 'fug', short for 'fugitivus'. It was instituted by Roman slave owners branding their runaway slaves. Either that, or they didn't know how to spell FUCK.



05. Mike Tyson probably has the world's most famous facial tattoo. He had it done in 2003, but he's recently tweeted about having laser surgery to get it removed. He'd probably kill us if we said it made him look like a fool so we won't.

06. Teardrop tattoos under the eye can mean a bunch of things. Murderers often have a tear inked below their left eye to indicate that they have taken a life. The tears can also refer to years served, being owned by a sugar daddy in prison, or in memoriam of dead friends.

07. Kimberley Vlaminic is a young Flemish woman whose lack of good Russian supposedly led to a tattoo artist giving her 36 stars on her face, instead of three. Kimberley tried to sue the tattoo artist, but has now admitted that she gave the artist the go-ahead and later regretted it IMMENSELY. In 2013, Ms Vlaminic had every star removed by laser.

08. In a world-first in June 2005, Kari Smith auctioned her forehead for advertising space GoldenPalace.com, a Canadian Internet gambling company, bid $10,000 for Smith to permanently tattoo "GoldenPalace.com" on her forehead. Kari did it to send her son to private school, so... erm, good on her.
